

MILITARY SYMBOLS

MILITARY HAZARD, CHEMICAL AGENT AND FIRE DIVISION SYMBOLS

Military hazard, chemical agent and fire division symbols identify where explosives and ammunition are stored. They comply with the requirements of the Department of Defense Ammunitions and Explosive Safety Standards. These military markings are ideal for identifying where explosives and ammunition are accumulated. Available in permanent vinyl, these symbols help protect the armed forces and civilians.

- Chemical- and weather-resistant vinyl
- Permanent adhesive
- Fade-resistant UV inks
- 24" x 24" & 12" x 12"
- Sold individually
- Meets DOD 6055.9-STD requirements
